

Commercial

ecoPlan & Design has worked with developers, architects, realtors, contractors and permitting agencies on a variety of commercial projects. From outdoor amphitheaters to senior communities, resorts to retail stores, our experience is our clients' best asset.

Chelan, WA

Navarre Shores Condominiums

Working with both the architect and the realtor, ecoPlan & Design provided site planning, landscape architecture and graphics for this project.

Cashmere, WA

Apple Annie Antique Gallery

Our responsibility for this project included project management, site planning and design, landscape architecture, consultant coordination, and permitting for this 70,000 sq. ft. facility.
